Back design detail

The shogun suit comes with a jacket that can be worn separately or together.

## SHOGUN suit

The new Shogun wetsuit is a perfect blend of modern technology and technical materials that deliver unrivaled performance. Our top of the line X-Flex lightweight neoprene allows for maximum comfort and flexibility. We also added Dura-shield to the chest, arms, and back areas to block unwanted wind and/or water splash for those colder days. This suit is assured to make everyday riding a memorable one. \$194<sup>95</sup>

- Dura-shield chest, arms and back block wind and sheet water
- 2mm X-Flex lightweight neoprene provides superior comfort and maximum flexibility
- Slip Grip gel knee pads designed for protection and performance
- Front Zip jacket can be worn universally with or without suit
- Outer silk touch jersey gives an incomparable feel and fit
- Flat lock stitch for comfort and breathability
- Rash-free neck lining

Reform Jacket over Reform John

### REFORM john

The Reform John is the ultimate wetsuit for recreational riding. Offering just the right amount of coverage and warmth, the Reform John is an incredible value. The 100% superstretch neoprene chassis provides unrestricted movement and a fit that truly feels like a "second skin" conforming to your body shape. One ride and you'll never go without a suit again. \$124<sup>95</sup>

- 100% super stretch neoprene for ultimate comfort and flexibility
- Complete 2mm construction for maximum mobility and durability
- Reinforced knee design for superior grip
- Rear zip for easy on/off
- Flat-lock stitching throughout for added comfort
- ¾ zipper for added lower back flex and ease of entry

BLACK 3270- | S 0013 M 0014 L 0015 XL 0016 XXL 0017 XXXL 0018

BLACK 3220- | S 0041 M 0042 L 0043 XL 0044 XXL 0045

### REFORM jacket

The smart choice for those days when you need something to keep the wind and spray off your upper body. Our new Reform Jacket combines Superstretch neoprene for maximum flexibility along with Dura Mesh panels on the chest and back for added wind protection and increased water sheeting. The chassis is designed with a little extra length so it can be worn with your trunks or over the Reform John. Of course we also added a bottom cinch-tie closure and rear quarter zip to keep things in place. \*69<sup>95</sup>

- 100% super stretch neoprene
- Dura Mesh panels block wind and water
- Wear with boardshorts or with your wetsuit
- Back quarter zip for easy on/off
- Cinch tie waist for custom fit

### REFORM short

Our new Reform Shorts are super comfortable, extremely durable, and feature 2mm superstretch construction. All these features combine to provide the perfect amount of support and warmth. \*39<sup>95</sup>

- 100% 2mm superstretch neoprene construction
- Flat-stitched seams throughout for comfort
- Drawstring closure

### REFORM spring suit

The perfect suit for those days when the water conditions don't require a full suit. The 100% superstretch neoprene chassis provides unrestricted movement while the ergonomic paneling provides just the right amount of warmth and proper support. \*94<sup>95</sup>

- 100% superstretch neoprene for ultimate comfort and flexibility
- Complete 2mm construction for maximum mobility and durability
- Comfort-seal neck closure for comfort and warmth
- ¾ zipper for added lower back flex and ease of entry

BLACK 3210- | S 0045 M 0046 L 0047 XL 0048 XXL 0049 XXXL 0050

The women's reform suit comes with a jacket that can be worn separately or together.

BLUE 3202- | S 0010 M 0011 L 0012 XL 0013

### WOMEN'S REFORM suit

Our women's Reform Suit offers the same great technical features as our men's suit, but with one added benefit - The suit is anatomically cut for a woman's body. It's 100% superstretch neoprene chassis allows for ultimate flexibility, comfort, and a perfect fit. \*174<sup>95</sup>

- Anatomically cut for a woman
- 100% superstretch neoprene for ultimate comfort and flexibility
- Complete 2mm construction for maximum mobility and durability
- 2-Piece set; short arm john with re-designed 2mm super stretch jacket that can be worn over suit or with your swim suit as well.
- Reinforced knee design for superior grip
- ¾ zipper for added lower back flex and ease of entry

## MATRIX glove

The Matrix Glove is the most comfortable, high performance glove on the market. Improved comfort, grip, and warmth without sacrificing mobility. With specially designed anti-slip pads located on the forefinger and thumb areas, you'll be able to hold on through the roughest sections. <sup>\$29<sup>95</sup></sup>

- Sticky anti-slip fingers
- Neoprene wrist with integrated TPR pull tab and Hook and Loop closure
- Airprene panels for ventilation
- Innospan backhand for ultimate flex and comfort
- Flat-stitched seams for comfort

## SWITCH glove

Switch gloves push the boundary with a unique design constructed from materials that reduce water absorption and concentrate on ventilation. Switch gloves provide excellent grip while retaining a tactile feel. <sup>\$24<sup>95</sup></sup>

- Progressive materials reduce water absorption
- Silicon printed anti-slip fingers
- Liteprene cuff with integrated TPR pull-tab and Hook and Loop closure
- Airmesh backhand panels for ventilation and drainage
- Durable perforated Clarino® palm

## REFORM glove

Now you can keep your hands warmer and increase your grip without breaking the bank. The Reform Glove provides improved water sheeting with a smooth skin backhand and easy throttle control with anti-slip finger tips. <sup>\$24<sup>95</sup></sup>

- Backhand constructed of ATS Treadskin for water sheeting
- Clarino® synthetic leather palm
- Sticky anti-slip finger tips for improved throttle control
- Quick pull hook and loop wrist closure

## WOMEN'S reform glove

Great styling, a women's specific pattern, and a secure closure system make the women's Reform glove the perfect all-around glove. Keep your hands warmer and increase your grip without breaking the bank. <sup>\$24<sup>95</sup></sup>

- Backhand constructed of ATS Treadskin for water sheeting

## CHANGE bag

The change bag was created to help decrease some of the sand and slop that we've all spent time cleaning at the end of a great day on the water. Simply use as a change mat, cinch up the draw-string closure and all of your gear is contained and ready to go. \$24<sup>95</sup>

- Durable waterproof nylon construction
- Heavy-duty 8mm drawstring closure

GRAY 3570-0010

Inner View

## LEG armor

Since riding can be very demanding on your body, we created this Leg Armor to help protect your knees and shins from abrasions caused by your PWC. It's constructed of neoprene for water durability and contains a flexible inner foam mold that adds padding and comfort to your knees while riding. \$34<sup>95</sup>

- Neoprene construction for durability
- Glide Skin lining for anti-slip protection
- Inner flexible foam mold for increased abrasion protection from your PWC

## HAMPTON gear bag

Redesigned and engineered to suit all your watercraft needs, the Hampton Gear Bag has plenty of room for vests, suits, and other gear. We PU coated the entire inner bag and combined it with a dry compartment for your clothing making it easy to keep your wet/dry gear separate. SPECS: 27"L x 16"H x 16"W \$89<sup>95</sup>

- Zippered side compartments with easy access outer pocket
- Durable waterproof base
- Removable shoulder strap

## hydrotube

- Large 54" tube with 420 denier nylon cover
- Reinforced PE foam padded ergonomic handles
- Professional tow strap and water drain system
- Inner gusset for higher buoyancy and handling
- Industrial strength PVC innertube

## SPECIFIC FIT watercraft covers

- Heavy-duty 600D poly/nylon construction with PVC backing to repel water
- Non-scratch corrosion-free access zippers for wetsuit and vest storage
- Reinforced openings for trailer pins, interior mesh pocket, and gas cap access flap (some models)
- Full elastic shock-cord hem and tie-down loops for trouble-free trailering
- Built for towing and storage
- Two-tone black and sand design

## HEAVY-DUTY general fit covers

- 600x600 polyester
- Fabric is triple coated for water resistance and UV (fade) protection
- All seams are double stitched
- This cover will give years of protection to your PWC investment
