Matrix & Switch Gear

The Matrix and Switch gear is designed to fit the performance needs of the world's fastest riders. Every detail has been refined to deliver maximum performance while allowing complete rider mobility. Whether you're looking to cross the finish line first, or just looking to be the first one across the lake, this is the gear for you.

Matrix Molded Vest

⁸⁹ RETAIL

Neoprene vests provide the ultimate in comfort and performance, and the Matrix Molded Vest sets the standard. With multi-panel construction, and a tunneled-belt system that works in unison with the full length front zip closure, the Matrix Molded Vest is all business.

- U.S. Coast Guard approved approved 3 PFD
- Full molded neoprene for maximum flexibility
- Front zipper and two 1.5" belts with quick-lock buckles for easy adjustment
- Hidden belts in back to prevent snagging

Switch Shoe

\$49⁹⁵
RETAIL The Slippery team has decided to take this one to the streets...or better yet, the water. A skate influenced style has been adapted for life riding PWC's. The combination of a multi-level drainage system and inner heel cup airprene liner makes the Wakeskate the most technologically advanced shoe ever made for PWC use.

- Inner heel cup liner for secure fit in water
- Unique drainage screens/ports throughout the sole & upper
- Molded sole w/ street/skate styling
- Pull-tabs and speed lacing system for fast and easy on/off
- Anti-abrasion high durability heel, toe and Rand provide strength and durability

Comp Boot

\$69⁹⁵
RETAIL Lace up the Comp Boot and feel the performance. We listened to the needs of experts and industry leaders to develop boots that meet the unique performance demands of riders and racers alike. Exclusive features combined with innovative solutions have resulted in a boot that offers warmth, support, traction, durability and comfort.

- Internal heel and athletic sole structure provide stability
- Pull-tabs and speed lacing system for fast and easy on/off
- 4mm Airprene and perforated synthetic leather construction
- Anti-abrasion high durability rubber heel, toe and Rand
- Removable inner neoprene bootie
- Drainage ports
- See size chart on back cover for proper fit
